Berean Christian PSP

Policy Form

1. Berean Christian School (BCS) was founded to assist Christians in their effort to educate their own child(ren) at home. The Bible being foundational in this effort, thereby, we adhere to the teachings of scripture and as such will train our child (ren) accordingly.
2. We realize that Berean Christian School will keep our child(ren)'s *Cumulative* records (*CUM* file), however Berean Christian School is in no way responsible for the actual education of our child(ren) and as such we release BCS from any and all liability. We, the parents, are responsible for providing all curriculum materials and instruction. The outcome of the child(ren)'s education will rest on us, the parents and our children's efforts.
3. We understand that Berean Christian School cannot offer legal immunity. It is therefore, mandatory that we maintain membership with *Home School Legal Defense Association (HSLDA)* and that proof of such membership be submitted annually to Berean Christian School. No other legal insurance will be accepted.
4. We will maintain updated medical & vital records (immunization records/waiver, birth certificate) as mandated by law, to be on file with Berean. These records will be held in the *CUM* file for each child enrolled.
5. We understand our responsibility to personally maintain all other dated records of our child(ren)'s school work through-out the year for possible future verification in the event of a legal contest. Documentation will include daily lesson plans, samples of child(ren)'s school work, logs of extra-curricular activities/field trips/reading, evaluation of progress.
6. We understand our responsibility to submit to Berean Christian School our child(ren)'s individual *Progress Reports* and *Attendance Records* by June 30th of each year. We may begin our school year at any time, however, schooling must be completed prior to the records deadline of June 30th of each year. *Attendance Records* will be maintained daily.
7. California Education Code (CEC) mandates that public schools provide education of at least 175 days (less sick days). Berean Christian School will also require 175 days. We understand that absences of more than 20 days per year will constitute in repeating the school year.
8. California Education Code and Berean requires that students in 1-8th grades spend a minimum of 4 hours a day and 9- 12th grades a minimum of 5 hours a day, engaged in school-related work. Kindergarten is not mandatory by law, however, if you've enrolled your child for Kindergarten he/she should engage in school-related work for approx. 3 hours.
9. We commit to having one parent teaching at home during school hours. School hours for most districts are between 8:00 am - 3:00 pm.
10. Field Trips or Park Days: If and when my child attends, I (we) will also attend and actively participate and responsibly act on behalf of their conduct. A medical form must be turned in to the field trip coordinator in order for our child to be allowed to participate with an adult other than us the parents. I will notify Berean in advance of such plans.
11. Parents of high school students will read and prepare *Progress Reports* and *Course of Study* forms using the "*Highschool Handbook*" by Mary Schofield, which outlines California requirements and procedures.
12. Parents of high school students will adhere to California's minimum graduation requirements (*High School Handbook*).

With or without cause BCS or parents may choose to terminate a student's enrollment. Upon official request from a private or public school, the student's *CUM* files will be mailed to the school of transfer. Parents may formally request their child's *CUM* file upon verification of *Private School Affidavit* filed with State of California. Parents without an affidavit on file with the State of California, who desire to hold their child's *CUM* records should note the *CUM*'s that are submitted directly by parents are generally not accepted by California public school districts.

We, the undersigned, understand and agree to the terms and conditions as stated in this policy.
