## Petition for Duel Enrollment through College Course

A petition for duel enrollment is in lieu of a traditional high school course through a college online or at a physical location. Credit is awarded by the college on completion of a course and will be reflected on your students High School transcripts when they graduate. If your student decides to take any college credit to earn college and high school credits concurrently they should note that incompletion or failure of any test will result in 0 credit awarded with both the college and Berean Christian School.
